MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: Director of Central Intelligence
SUBJECT: Recent and Potential Changes in CIA Management

1. In your helpful memorandum of 28 October on recent and potential changes in CIA management, in paragraph 14 you talk about studying [redacted]

[redacted] We went through this with the House Appropriations Committee together. I am not clear, however, what we have decided we should retain after the [redacted]
[redacted]

2. I'm also not at all clear as to the role of [redacted] Assistant to the Comptroller for Strategic Intelligence, mentioned in paragraph 18. I didn't think the Comptroller had responsibility for substantive intelligence.

3. I'm also very interested in paragraph 24 and how the Publications Review Board has come along. I note it was to have made a report early this year. I would personally like to see a spate of unclassified CIA publications hit the press in the next couple of months.
